You and your IB Diploma programme students are cordially invited to attend the CIS International College & University Fair in San Francisco, California, on Sunday, September 18, 2010.

The college fair is designed for students in the 11th and 12th grade who are currently studying in the IB Diploma programme, as well as for your 9th and 10th grade students who aspire to the IB Diploma.

The fair offers an ideal opportunity for your IB Diploma students to meet with CIS member colleges and universities from the US and around the world as part of their college search process. Using last year's attendance information as a guide, we anticipate the attendance of approximately 45 colleges and universities at this year's event.

We look forward to the participation of your IB students, parents and counselors, so please save the date and plan to attend.

Please direct your questions regarding this event to Sandra Wade Pauly, University & Government Liaison, IB Americas at sandra.wadepauly@ibo.org OR Ashley Rochman, Assistant Director of College Counseling, French-American International School, at ashleyr@frenchamericansf.org. Please also contact Ashley once your school has determined approximately how many students from your school will attend.

For directions to the site or for more information about the French-American International School and its International High School, please visit the school's website at www.internationalsf.org.
